Youth Policy

Team Builder Volunteer Information

No one under 16 years of age is allowed on the job site for any reason. 16 and 17 year olds must have a [2018 Youth Waiver](#) signed by a parent or guardian. You must also bring an adult (21 or older) to supervise. If you have any further questions about this policy, please contact Jacleen Simons at jacleensimons@habitatwest.org.

We reserve the right to turn away volunteers at any time.

If for some reason you are unable to attend this event please email jacleensimons@habitatwest.org to allow the Habitat crew to make building decisions based on an accurate number of volunteers.

Remember- Safety first, Quality second, Speed last!

Please remember that since Habitat for Humanity is a non-profit, we can always use help with purchasing construction materials. To find out how to donate or volunteer again, go [here!](#)
