

Volunteer Build Day Information

Thank you for registering for a build day with Willamette West Habitat for Humanity. We're excited to work side by side with you to build strength, stability, and self-reliance through shelter for those in our community. Below you will find important information regarding your scheduled build day. If you have any additional questions, do not hesitate to connect with our volunteer coordinator at volunteer@habitatwest.org or 503-844-7606 x113.

Before You Volunteer

- Complete and sign a [2019 Release and Waiver of Liability form](#) and bring it with you.
- Watch the [Construction Safety Video](#).
- **Are you under 18? Please see our youth policy below!**

Work begins at **8:30 am** and ends at **4:00 pm**. Please arrive on site by 8:15am – plan for traffic and parking!

What to Wear

- Sturdy shoes - preferably boots. No open toed shoes are allowed on the construction site.
- Comfortable clothes that can get dirt or paint on them. Long pants are recommended.
- No loose, flowing clothes as they may be a safety hazard.
- Layers for all weather possibilities. Work may be inside or outside, so plan for everything!

What to Bring

- Water bottle
- Completed [2019 Release and Waiver of Liability form](#)
- We will provide all the tools you will need to volunteer.

Directions and Parking on the Construction Site:

Construction Site Address:
[9845 SW Denney Rd, Beaverton, OR 97008](#)

Parking:
Please park in the front parking lot at Portland Community Church, located at [7100 SW Scholls Ferry Rd, Beaverton, OR 97008](#). Please see the map.

If you are riding public transportation, the site is served by the #56 bus line. Use the SW Scholls Ferry and Merry bus stop. Walk from the bus stop down Denney Rd and the site will be on the right-hand side of the street.

Other Items to Note
